

# FUNDOG - Friends of Upper Noe Dog Owners Group

FUNDOG is an active group of neighbors of all ages who care deeply about our community, responsible dog guardianship and fostering a safe and friendly neighborhood environment for people and pets to interact.

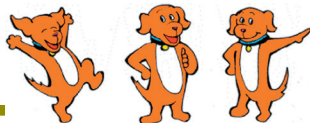

## Our Dogma:

- Maintain and improve Dog Play Area "Joby's Run" and the Upper Noe Recreation Center.
- Advocate a mutually respectful, friendly and safe community environment.
- Make sure the Upper Noe Rec Center and surrounding area remains the best place for neighbors, friends, visitors and pets to interact – responsibly and freely.
- Cooperate and work together with like-minded organizations through the Neighborhood Parks Council.

## Playtime

Our dogs and their guardians routinely see each other and socialize at Joby's Run. All are welcome to participate in our activities and meetings. Members receive our newsletter, email updates about our group, issues and events. There is no fee, but we gladly accept donations to fund improvements, sponsor Rec Center kids' programs and advocate our dogma.

Come on, throw FUNDOG a bone! Join us.
